Conservation Areas are closed from 10 p.m. to 4 a.m. except for authorized camping, fishing and hunting activities.

- No littering.
- No fireworks.
- No open fires.
- Nuts, berries, fruits, mushrooms and wild greens may be taken for personal consumption only. Cutting or removing other vegetation is prohibited.
- Motor vehicles are allowed on public roadways and in parking areas.
- Horseback riding and bicycling are permitted on trails marked with yellow “Horse/Bike” trail signs. Groups of 10 or more need a special-use permit.
- Bicycling is also permitted on service roads.
- No camping allowed except in Corps of Engineers recreation areas.

Fishing and Boating

Fishing and frogging are allowed under statewide regulations with the following exceptions:

- Statewide stream fishing regulations apply upstream from lake boundary (see map on reverse side).
- On Stockton Lake, all black bass less than 15 inches in total length, all walleye less than 15 inches in total length and all crappie less than 10 inches in total length must be released unharmed immediately after being caught.
- Daily limit is 6 black bass and 4 walleyes and 15 crappie.
- Fish legally taken under stream regulations may not be possessed on Stockton Lake, unless the fish are also legal under the lake’s regulations.

Hunting and Trapping

Hunting is allowed under statewide regulations with the following exceptions:

- Deer and turkey regulations are subject to annual changes. Please refer to the Spring Turkey or Fall Deer and Turkey Hunting pamphlets for current regulations.
- Portable tree stands are permitted between Sept. 1 and Jan. 31. Stands must be identified with the name and address, or conservation number of the user. Screw-in steps or other materials that would damage the tree are prohibited.
- Decoys and portable blinds are permitted but must be removed from the area daily. Blinds may be constructed on-site, but only from willows and non-woody vegetation.
- Furbearer trapping is permitted by special-use permit.

Stockton Reservoir is 15 miles north of Springfield. This 24,900-acre lake extends into Cedar, Dade and Polk Counties and has many accesses.
